English Speaking Lawyer in Turkey

Finding a trusted, professional, and **English speaking lawyer in Turkey** is the first and most critical step for any international individual or business navigating the country's complex legal landscape. Welcome to Pi Legal Consultancy. We are a leading **international law firm in Turkey**, founded on the principle of providing clear, commercially-savvy, and effective legal solutions to a global clientele.

From our strategic offices, our teams provide comprehensive guidance across all major practice areas. Whether you are looking for a **Turkish business lawyer** to assist with corporate matters, an expert **immigration lawyer** for your citizenship or residency needs, or specialized support from our **law firm in Istanbul**, this page serves as your gateway to our full range of services.

Explore our expertise below and discover why we are the trusted legal partner for so many foreign nationals and companies in Turkey.

Why Choose Pi Legal Consultancy as Your Law Firm in Turkey?

Navigating the Turkish legal system requires a partner who offers more than just standard legal advice. We provide a strategic, client-focused service built on a foundation of experience, expertise, and a firm commitment to achieving your goals.

Comprehensive Legal Expertise

From complex corporate transactions and M&A deals to personal immigration matters like citizenship and residency, our multi-disciplinary team provides a full range of legal services. With Pi Legal Consultancy, you have a single, trusted point of contact for all your legal needs in Turkey.

Strategic Nationwide Presence

With our key offices in **Istanbul** (the commercial capital) and **Ankara** (the administrative capital), we offer our clients a unique strategic advantage. Our teams work in synergy, managing your commercial deals and your regulatory affairs with seamless, integrated efficiency.

Fluent English & International Standards

As a leading **international law firm in Turkey**, we are built to serve a global clientele. Our entire team of expert **Turkish lawyers** is fluent in English, ensuring communication is always clear, precise, and tailored to the high standards that international businesses and individuals expect.

Award-Winning and Recognized

Our commitment to excellence is consistently recognized by our clients and by international legal organizations. We are proud recipients of prestigious awards such as the **'International Law Firm of the Year'**, a testament to our high standards of service and client satisfaction.

2025 Banking and Finance Law Experts

The year 2025 marked the formal recognition of PiLC's global excellence in banking and finance law. Global Law Experts, a prominent legal platform based in the United Kingdom, honored our client-focused approach and strategic achievements with the prestigious **Banking and Finance Law Experts of the Year** award.

2024

PiLC has also received the **2024 Global Recognition Award** as a testament to its exceptional performance, innovative services, and unwavering commitment to client satisfaction.

Based on a detailed overview of our client profiles, our service quality, the satisfying nature of our articles and papers together with our marketing and branding efforts, **Pi Legal Consultancy [PiLC as trademark] has been chosen by the London-based Prestige Awards Group for the award about the international law firm of the year.**

Our Core Practice Areas for International Clients

Our firm is structured to provide a full range of legal services to meet the diverse needs of our international clientele. Below are our core practice areas where we offer specialized, English-speaking legal support. Explore each area to learn more about our expertise and services.

Business & Corporate Law

From company formation and M&A to commercial contracts and corporate governance, our business lawyers provide strategic legal support for your entire operational lifecycle in Turkey.

Citizenship & Immigration Law

We guide investors, professionals, and their families through the complexities of Turkish citizenship by investment, residence permits, work permits, and other critical immigration matters.

Dispute Resolution & Litigation

Our experienced litigators represent international clients in all forms of commercial disputes, from breach of contract to shareholder conflicts, in both Turkish courts and international arbitration proceedings. For more infomation about this topic Dispute Resolution Page

Real Estate Law

We provide expert due diligence and legal support for foreign nationals and companies purchasing, selling, or leasing commercial and residential property in Turkey, often in conjunction with citizenship applications.

Meet Our Team of English-Speaking Turkish Lawyers

Our firm's strength lies in our team of dedicated, multilingual lawyers who combine deep knowledge of Turkish law with a sophisticated understanding of international business standards. We work collaboratively to provide our clients with tailored, effective, and results-oriented legal solutions.

Our Offices in Turkey: A Nationwide Presence

We serve our clients from fully-staffed offices strategically located in Turkey's most important administrative, commercial, and investment hubs. This allows us to provide both deep local insight and a powerful national reach, ensuring seamless legal support wherever your business takes you.
